### CSA Member Responsibilities

- As a CSA member, you share in the bounty as well as the risks that accompany farming. CSA membership allows you to forge a connection with your food, the farm where it is produced, and the people who grow the crops. As such, Gateway Organic Farm CSA membership is a season long commitment. If you can't finish out the season as members, for whatever reason, you are welcome to reassign your share to another household, but we don't issue refunds for shares.
- Try new things! Be a good example to your children and eat your greens, take pleasure in the familiar as well as the unfamiliar. Challenge your culinary skills with new recipes, new combinations, and new ingredients.
- It is your responsibility to know when your share will be available to pick it up during our farm's open hours ( Wed -3-6 or Sat 12-4.) The farm will not issue credit for unclaimed or forgotten shares. If you miss a pick up – your share will be donated to the local High Point community center.
- If you are unable to pick up your share on delivery day, make alternate arrangements for your produce ahead of time. You can ask someone else to pick up your share for you, you can ask the farm not to harvest for you that week

Member Agreement

By signing below I understand that I am committing to 2010 -11 CSA Member Subscription described above, which allows me to purchase a share of the harvest of IN-SEASON produce. As a member I agree to share in the bounty and the risks of farming with the farmers and other CSA members. I understand that each week's produce will be different and based upon seasonal availability, insects, weather, and other acts of God. My payment fees help cover the seasonal costs of labor, fertilizer, seed, equipment, etc. to develop the CSA farm and that NO refunds are available, however, I can transfer my subscription to another party or family member.
